

Ord an Dragan

Hello Dragans!! Welcome to our ~~first~~ SECOND newsletter!

(The first was in 2014!)

This is our attempt to keep our family informed of the goings on since we have become so spread out. We will be trying to keep you updated with meeting minutes, events coming up, completed, and even the planning stages when we need help from all you wonderful folks!

Notes from the Clan Meeting - 5 April 2020

Attending: Chamorr, Isophenee, Aoife, Siggurd, Sincerae, Medicius, Monggonator, Razanetika, Morofinwe, Soneiken, Sammoon, Eledryn, Aeryi, Persistence, Villorn, Nedish, Leafiara, Farseeker

Chamorr welcomed Sincerae back following her long absence, congratulated Leafiara on her election as mayor of Wehnimer's Landing, and introduced Nedish and Farseeker, two of our newest members.

He noted as well that a third Favor Hunt had taken place earlier in the evening - lots of people (many non-clan members) and lots of favor were involved. Proceeds from the loot and skins are to be deposited in the Ord coffers. Thanks to Isophenee and Ensayn for planning and running the hunt. (so far 1,223,000 silver raised for Ord coffers!)

Discussion ensued regarding the Under Mountain Stomp, our next clan event. The Stomp will be a two-day event designed to learn about and promote the good things about Zul Logoth - a sort of "homecoming" for all dwarves, and open to the public. Some of the events being planned include a Best Beard contest, dance, tour of Zul Logoth by the esteemed Clunk, storytelling and song, a lecture on the healing mushrooms of the Zul Logoth caverns, and some clan-led hunts for different ages and stages. Dates are May 16 and 17, with most events occurring in the late afternoon and evening hours.

A planning committee is at work and will publish the schedule when it has been confirmed.

Favor hunts will be continuing on a regular basis, approximately twice monthly, with one scheduled early in the evening and the other one later in the evening, to accommodate differing schedules. The hunts are not only an excellent way to gain favor, for those who need it - but also provides plentiful silver for the Ord treasury, which is used for events, rentals, and building updates. Dates, times and other pertinent info will be published by the Towncrier and other news sources as appropriate.

Clan officers will be producing a clan newsletter to help keep our far-flung members up to date on clan plans and news. If you are not yet on the mailing list please contact Aoife or Siggurd to let them know where to send your copy (via email).

Submitted by Aoife, this 7th day of April 2020.
